Exotic Pet Food

Do you own or sell exotic pets such as lizards, turtles, frogs, snakes, or iguanas? If so, why don't you try feeding them fresh worms from Mackie's Bait?

Right now, we have night crawlers, green worms, and baby crawlers in stock. If own or manage a pet store and would be interested in bulk delivery of these items, please call 586-615-2889 for more information. Remember, night crawlers are also an excellent and natural food source for birds, fish, koi, turtles and reptiles.
